

Wisconsin CE In 2009

You asked for more bang for your buck!

We heard you!

With gas prices high and time at a premium, agents have been asking for more credits per day. In 2009, we are introducing **Mini-Marathons** to be presented quarterly at six locations throughout the state. Each day will consist of 3 three-credit courses. Each Mini-Marathon includes a section approved for the Ethics credits you need and twice a year we will include an E&O section. If you can attend the entire day, you will earn 9 credits. Those who prefer a shorter day, can still get 6 credits, but will have flexibility in scheduling them. For agents who need a lot of credits, we will present a 12-hour **Marathon Day** in Pewaukee twice a year. Review the schedule below and let us know what you think by emailing your comments to angela@insurancece.com.
